

Common Aquatic Macroinvertebrates

Mayflies - Ephemeroptera

Small Minnow Mayfly*
Family Baetidae

Flathead Mayfly*
Family Heptageniidae

Spiny Crawler Mayfly*
Family Ephemerellidae

Stoneflies - Plecoptera

Rolled-Winged Stonefly*
Family Leuctridae

Perlodid Stonefly*
Family Perlodidae

Common Stonefly
Family Perlidae

Caddisflies - Trichoptera

Bizarre Caddisfly*
Family Lepidostomatidae

Giant Casemaker Caddisfly*
Family Phryganeidae

Microcaddisflies*
Family Hydroptilidae

Fingernet Caddisfly*
Family Philopotamidae

Northern Caddisfly*
Family Limnephilidae

Net-spinning Caddisfly*
Family Hydropsychidae

True Flies - Diptera

Blackflies*
Family Simuliidae

Meniscus Fly*
Family Dixidae

Horse Fly*
Family Tabanidae

Crane fly*
Family Tipulidae

Mosquito*
Family Culicidae

Non-biting Midge*
Family Chironomidae

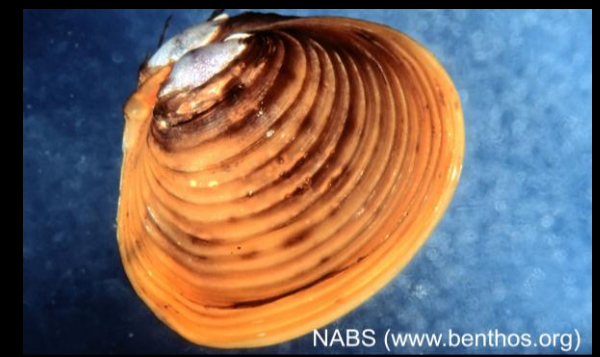

Non-Insects

Aquatic Sow Bugs*
Family Asellidae

Scud*
Family Crangonyctidae

Asian Clam*
Family Corbiculidae

Dobsonflies - Megaloptera

Dobsonfly*
Family Corydalidae

Beetles - Coleoptera

Adults

Riffle Beetle*
Family Elmidae

Crawling Water Beetle*
Family Haliplidae

Larvae

Predaceous Diving Beetle*
Family Dytiscidae

Water Pennies*
Family Psephenidae

Dragonflies and Damselflies - Odonata

Darter Dragonfly*
Family Aeshnidae

Clubtail Dragonfly*
Family Gomphidae

Spiketail Dragonfly*
Family Cordulegastridae

Narrow-winged Damselfly
Family Coenagrionidae

Moths - Lepidoptera

Pyralid Moth*
Family Pyralidae
